

# International Summer School on Computational Design for Additive Manufacturing: Exploring field-driven design for advanced ceramics

13-17 July 2026  
East Campus USI-SUPSI  
Lugano (Switzerland)

SUPSI

## Monday, 13 July

12:00 - 13:00

### Welcome

13:00 - 15:30

### Workshop

Introduction to Computational Design for Additive Manufacturing of Advanced Ceramics

SUPSI

15:30 - 17:00

### Keynote Lecture

nTop

## Tuesday, 14 July

09:00 - 11:30

### Tutorial

Computational design frameworks, methods, and tools

SUPSI

11:30 - 12:30

### Keynote Lecture

Yamaji Design

12:30 - 13:30

### Lunch Break

13:30 - 17:00

### Tutorial

SUPSI

## Wednesday, 15 July

09:30 - 12:30

### Keynote Lecture & Tutorial

Spherene

12:30 - 13:30

### Lunch Break

13:30 - 17:00

### Tutorial

SUPSI, Spherene

## Thursday, 16 July

09:00 - 10:30

### Keynote Lecture

ToffeeX

10:30 - 12:30

### Tutorial

SUPSI

12:30 - 13:30

### Lunch Break

13:30 - 15:00

### Keynote Lecture

Puntozero

15:00 - 17:00

### Tutorial

SUPSI

## Friday, 17 July

09:00 - 10:00

### Keynote Lecture

EngiCer SA

10:00 - 12:30

### Tutorial & Presentations

SUPSI

12:30 - 14:00

### Lunch Break and Closing

Temporary programm

Further details will be available in the coming weeks.
